**Your Picnic Food & Entertainment Package includes these family fun activities!**

**Udders & Putters Miniature Golf Courses** - You can play two farm theme 18 hole courses with many interesting features such as: three levels of waterfalls, an authentic windmill, a covered bridge, a replica of our barn built in 1869, and a cow that moos if you get a hole in one on the 18th hole.

**Driving Range** - Hit a bucket of balls on our beautiful driving range. We have 40 grass tees, 9 open mat tees and 10 covered & heated tees.

**Batting Cages** - Covered batting cages with slow and fast pitch softball and four speeds of baseball.

**Cowtherine's Carousel** - Our 36-foot carousel features an enchanting lineup of farm animals, including six Jersey cows, one pig, one goat, one rooster, and 21 horses each uniquely adorned to represent Young's famous homemade ice cream flavors.

**Cowvin's Fast Slide** - Extends 23 feet in the air, overlooks our entire complex, has three lanes of family fun, and is positioned between the batting cages and the driving range. For safety, you must be at least 42" tall to ride.

**Moovers and Shakers** - A barrel ride for all ages. Hold on tight!

**Volleyball Court and Corn Hole** - Next to the picnic area is a sand volleyball court. We will provide a volleyball and you provide the competitors. We also have Corn Hole games for your competitions.

**Cowvin's Corny Maze - Seasonal** -- From Labor Day Weekend to late October, see if you can navigate your way through our cornfield. Three acres of corn and one mile of paths make this a fun activity for the whole family. Weather (and corn) permitting.
